full plastic trolley 80L LITTLE GENIUS

Estremamente maneggevole, concepito per essere un'alternativa intelligente al cestino con manico, è risultato un vero e proprio carrello data la sua capacità di carico di 80 lt. (40 chili di portata utile) e grazie al comodo supporto per un pacco-bottiglie.

Extremely maneuverable, born as an intelligent alternative for a simple shopping basket which became a real shopping trolley with load capacity of 80 L (40 kg of useful load) and a shelf for bottles.
