

BENNON

EXPERIENCE OF EXPERTS

NEW: BENNON WELDER S3

EN ISO 20345:2011 S3 SRC HRO

Specialized shoes for welders are provided with a buckle for quick removal. Injected outsole PU/rubber with antislip properties SRC resists to heat up to 300 °C and is equipped with uplifted protective nose. The waterproof upper allows using shoes in the environment requiring standard S3. Shoes have comfortable insoles with shock absorbing elements in the heel area.
